

I listen to K-LOVE on 106.7 in my area. As a resident of the local community, K-LOVE is important to me because it is the only station that plays contemporary christian music. It helps nourture my spirit and soul. It calms me as I drive to and from work. If K-LOVE were to be displaced by an LPFM broadcaster, we would no longer have this contemporary christian music broadcasting. The effect on our local community would be very negative. K-LOVE is a very positive service being provided to the public and our local community needs this service to continue. Please keep K-LOVE alive!!
